FC18/19-88	<p>Consultations Papers (fixed item). To agree Parish Council responses to current consultations.</p> <p>1. Draft Consultation of the Statement of Community Involvement-ends 08/03/19. RESOLVED no comments to add. NOTED comment that Parish Council's should normally be notified on all consultations, including those adjacent to the parish, city wide and strategic ones that might have an impact on the parish.</p> <p>2. Draft Housing Allocation Policy-ends 08/04/19. RESOLVED no comments to add. NOTED that the local plan for the next decade has been approved however, the amount that still needs land/planning is very small. Comment made about the speed at which the developers deliver is slow; system is flawed.</p> <p>3. Draft proposed parking and waiting restrictions Tanfield Square, Broughton, RESOLVED to raise a concern about having no restriction limit on the "all day parking" green spaces on the proposed plan. This will not support local Centre customer parking as both residents and external commuters will fill these. RESOLVED to comment that restrictions should be enforceable and enforced.</p>					Clerk

ADDENDUM - FC18/19-85 Public question time, including Ward Councillor updates

Public question time, including Ward Councillor updates: members of the public may ask questions on any matters dealt with by Full Council included on this agenda. *(please note that this item will generally be restricted to a maximum of 15 minutes, subject to Chair's discretion).*

Residents gave an update on Ferry Meadows Close

Residents wanted to clarify that they don't have a problem with parking on Ferry Meadows Close, they are looking for a different access for the Hindu Association to ensure their visitors have ease of access. Residents also raised a concern about the Hindu Associations intension of not demolishing their temporary building until phase two is started, as they needed the storage space. Residents also raised a concern about the rubbish left outside the building that is attracting vermin.

Cllr DM confirmed he had tried to get an update with Debbie Taylor-Bond (Milton Keynes Council) however, is still waiting for a response.

Collective Ward Councillor Updates

1. **Ferry Meadows Close**, still waiting for the meeting to take place with stakeholders regarding the 6 options. Delay due to lead engineer not being well and that Debbie Taylor-Bond will be leaving MKC. It is highly likely that the meeting won't be held until May because of the purdah period (starting 22/03/19) before the elections on 2 May 19. The hut planning permission expired 22/04/17 then a meeting was held with MKC and it was agreed that the hut could remain as long it is demolished within 6 weeks after the Community Centre has been built.
2. **Tanfield Square Informal Consultation**, has been put on hold as MKC want further discussion with both residents and businesses.
3. **Broughton Gate and Countess Way**, MKC intend looking at the issues with both of these areas as a whole.
4. **Eastern Expansion Area Safety Improvements Schemes**
 - 4.1 Fen Street / Northfield Roundabout - Change weight limit signs to larger signs, lay speed markings, plus other sign works – **Completed.**
 - 4.2 Ambergate / Newport Road – construct new footway link and pedestrian islands – **Completed.**
 - 4.3 Fen Street / North of Newport road – Change start of 30mph and 40mph, relocate speed signs, construct traffic islands to reduce road width – **Started 26-02-2019, duration approximately 2-3 weeks. Being carried out by Places for People on behalf of MKC.**
 - 4.4 Broughton Grounds Lane / Fen Street – construction of 2 new pedestrian islands – **Starting 27-02-2019, duration approximately 2 weeks. Being carried out by Places for People on behalf of MKC.**
 - 4.5 Fen Street o/s Brooklands Farm Primary School – road narrowing and construction of new zebra crossing – **might be postponed until either the Easter or Summer school holidays start.**
5. **Oakgrove Zebra Crossing (Ada Walk)** opposite Costa will be going ahead and will be more visible.
6. **Oakgrove, Abacus Drive** route to the school, MKC has confirmed that they don't have enough evidence to date to warrant a zebra crossing.
7. **Middleton Primary**, concern raised by residents regarding engines idling in school car park. Confirmed that the car park is owned by MKC and not the school; issues should be raised with MKC.
8. **Milton Keynes Village Conservation Review**, comment that village should be looked at more organically when looking at any boundary changes.

9. **Parnleys Parking**, confirmed that MKC has inspected however, could not do anything due to not being under public highways management. Separately, whilst inspecting this area, MKC did discover that the land (verge) outside the Swan Pub was being used without permission. However, comment was made that the land outside the Swan Pub is more complicated, when it was “stopped up” it is possible this order did not get implemented properly. MKC also has various mapping systems and it is possible that the one that was used is not up to date.
10. **Oakgrove Fire Safety**, growing concern about fire safety and diligence over buildings like this; the insulation and fire separation in the riser issues are not going away. So far there are only 8 affected buildings declared.
11. **Housing Association maintenance management**, recent internal flooding incident in Ruby House meant that Anglian Water sent out two crews (spanner/tar work) who did not know about each other.
